

The Day of Pentecost Holy Eucharist

The Anglican Vision

June 26 and July 3rd join Rev. Brian for food and conversation as we explore *The Anglican Vision*, by James E. Griffiths. If you're new to the Episcopal Church or just want to have a deeper experience of our faith practice, *The Anglican Vision* is a short book which looks at the history, mission, and identity of the Anglican Church around the world. Please RSVP at the office and let us know if you will be contributing to the meal.

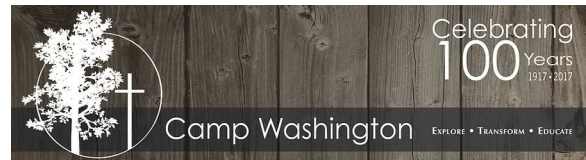

Church Emails

If there is anyone who serves on Sundays but is not receiving church emails, please let us know at the office!

NE Region Liaison - St Marks

We are looking for a parishioner to act as a liaison to the NE Region. This role would play two key responsibilities: 1) communicate and announce things going on with the churches in our region, 2) inform the NE Region team about things happening at St Marks.

Please contact Steve Paasch for more information or if interested.

A Message from Linda Austin-Small

Dear Friends:

It was a joy and pleasure to serve as your Parish Administrator these past 6 years. Coming to work every day, learning your stories, helping you in any way I could gave my life renewed purpose. I so enjoyed being the face of St. Mark's for all who walked in the door whether parishioner or student. I looked forward to every day.

I am deeply grateful for all the kind notes, calls, messages, flowers and other tokens of

affection. They mean a great deal. St. Mark's, with all its many talented, generous and wonderful people, will always have a special place in my heart.

Thank you to all the volunteers who helped me along the way. I am so appreciative of all the institutional knowledge shared with me.

Peter and I moved to the Quiet Corner knowing only two people and you provided a most welcoming community for us both. I hope I helped St. Mark's become more of a loving and caring community in return. We will miss each and every one of you.

Love, Linda
