"Child of God" VBS

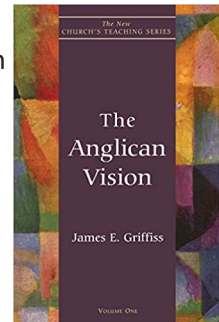

"The Child of God" Vacation Bible School will be held at Storrs Congregational Church, July 29 - August 2, 9-12:30. Although we are all children of God, they are specifically focusing on stories

involving children. Registration details coming soon. Volunteers are needed to help with arts and crafts, snacks, and just being another set of hands. Please let the church office know if you can help out.

The Anglican Vision

June 26 and July 3rd join Rev. Brian for food and conversation as we explore *The Anglican Vision*, by James E. Griffiths. If you're new to the Episcopal Church or just want to have a deeper experience of our faith practice, *The Anglican Vision* is a short book which looks at the history, mission, and identity of the Anglican Church around the world. Please RSVP at the office and let us know if you will be contributing to the meal.

Youth @ Convention 2019

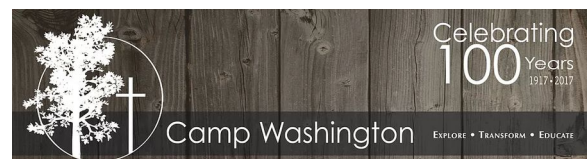

YOUTH CONVENTION At the diocesan convention on October 26 and 27th there is a special youth presence session on Saturday, October 26 including an overnight at a parish in Hartford. If you have any interest in being a youth delegate let Rev. Brian know.

NE Region Liaison - St Marks

We are looking for a parishioner to act as a liaison to the NE Region. This role would play two key responsibilities:

- 1) Communicate and announce things going on with the churches in our region.
- 2) Inform the NE Region team about things happening at St Marks.

Please contact Steve Paasch for more information or if interested.

Is your child looking for excitement this summer? At Camp Washington your child will be part of a creative and fun God filled community! Register today! www.campwashington.org/summercamp

To Whom It May Concern,

My name is Crista. I am an instructional assistant at the Depot campus of EO Smith High School in Storrs, CT and a program specializing in experiential education with a focus on internships and project work to create a more relevant learning experience. With only ~24 students we are able to create interest-based, individualized curricula and learning experiences to meet our students' educational and personal growth goals. Who better to learn from than someone who has lived nearly or over 100 years.

I read an inspiring article about centenarian celebrations and together with another teacher at our high school, we wanted to try and invite a centenarian to our school to share his/her stories. Our students voted to go see Eva Schloss, stepsister of Anne Frank and Holocaust survivor when she gave a talk at the Bushnell this year and loved hearing her tales and we want to continue encouraging them to seek the wisdom of their elders.

Kind Regards,

Crista Adamson
Depot Campus

Thanks to our Sunday Ministers who sustain the worship life of our community
